

Welcome to
FUN DOG DAY!

We hope you and your dog enjoy all of the fun, festivities and excitement that we have offered today.

We want to give a few simple safety rules to remember while here with your dog today...

- All dogs need to be on leash and under control at all times. Please be sure that your dogs collar is properly fitted so that he/she cannot back out of it. Owners must remain with their dogs at all times
- Owners are legally responsible for their dogs and any injuries caused by their dogs.
- Owners must immediately clean up after their dogs. We will have waste stations set up around the fairgrounds.
- Not all dogs are friendly to others, so please keep your dog by your side, and do not approach those you don't know. **Dogs with a known history of, or who exhibit dangerous behaviors are prohibited. Owners will be asked to remove their dogs from the fair grounds that exhibit dangerous behaviors!**
- If your dog becomes overly excited and needs a moment or two alone, please take him/her aside or visit our pet rest area located inside the pavilion for some quiet time and a cool drink.
- Dogs must be healthy, fully immunized and licensed.
- Children under the age of 12 **MUST** be accompanied by an adult; **ALL** children must be closely supervised.
- Female dogs in heat are prohibited.

MOST OF ALL... HAVE FUN AND ENJOY THIS DAY WITH YOUR DOG!
